

SIXTH ANNUAL

Markesbery Symposium on Aging and Dementia

November 4-5, 2016

Join the University of Kentucky **Sanders-Brown Center on Aging** for the **6th** Annual Markesbery Symposium on Aging and Dementia. This two day program will offer sessions for both scientific and community audiences. Clinicians and researchers from the University of Kentucky and other institutions will come together to share current findings, trends and the latest updates on dementia and aging disorders, particularly as related to Alzheimer's disease.

SCIENTIFIC SYMPOSIUM & POSTER SESSION

11:00am – 4:00pm
Friday November 4, 2016
