

Markesbery Symposium

on Aging and Dementia

October 26 - 27, 2018

Join the UK Sanders-Brown Center on Aging for the 8th Annual Markesbery Symposium on Aging and Dementia. This two-day program offers sessions for both scientific and community audiences. Clinicians and researchers from the University of Kentucky and other institutions will come together to share current findings, trends and the latest updates on dementia and aging disorders, particularly as related to Alzheimer's disease and healthy brain aging.

Scientific Symposium & Poster Session
